

# Standard Agreement Deliverables

## Getinge Care Preventative

### Features

- Annual preventive maintenance parts (if required).
- Annual preventive maintenance labor.
- Telephone response – 4 hours.
- Onsite response – two business days (or as agreed upon per event).

*Note: All labor to be conducted during normal business hours, Monday to Friday. Does not include parts outlined in the Exclusions listed below.*

### Exclusions

All unscheduled (i.e. contract callback, break/fix, repair) parts and labor.

Lights/booms: handles, spring-arms (replacement only), power supply, endcaps, and incandescent light bulbs.

Tables: pads and accessories, column and base cover, corded and IR hand pendants, power cords and hinge plates (cover plates).

Sterilizers and Washers: accessories loading carts and carriages, circulating pumps, vacuum pumps, sonic generators, control boards and displays, HEPA filters, lobe probes, descaling (boilers), consumables replenishment (DMS) and accessories (Washers and Sterilizers) are not covered. Sterilizer chambers (10-year warranty from installation), Washer chambers (1-year warranty from installation).

All equipment: daily, weekly and/or monthly cleaning (externally or internally if applicable) are excluded from this service agreement.

Software upgrades, repair of damage considered an Act of God, damage caused by operator error, damage caused by not following OEM cleaning recommendations outlined in the OEM User Manual (including chemical type used or frequency of cleaning not followed). All calls due to utility issues including component failures due to prolonged usage with improper utilities are not covered.

It is the responsibility of the customer to have the equipment available for service which includes cleaned and safe for maintenance. Any additional labor waiting for equipment availability is excluded from this agreement. Supporting of other vendors for additional troubleshooting/testing above and beyond the release of equipment by Getinge for use will be excluded.

### Pricing

Parts and labor discounts are determined by GPO, IDN and/or new capital equipment spend levels.
